Assumption College Thonburi

No.374/2018

May 31, 2018

Dear ACT EP Parents,

Last year the English Program at ACT set out a new initiative that allowed students to receive tutoring in the English subject in an after-school environment. The students were chosen from each grade level from 1 – 6 based on their needs for extra learning opportunities. It was an unqualified success, with the average student in the program showing noticeable improvements in their English subject scores and tests.

So it is with great pride that I am able to announce that the afterschool English Improvement program will continue into the 2018 academic year. Once again, 10 students will be chosen from each grade level to receive more personal, in-depth tutoring from our qualified staff of professionals. Tuition to the program is free, dependent on attendance. Students that accept the position in the after school program, but fail to attain an 80% or higher attendance to the program will be responsible for paying the tuition fee of 5,000 baht.

These extra classes will begin on June 4<sup>th</sup>, 2018 and take place at school after period 8, from 4:10 – 5:10pm, twice a week on Monday and Wednesday.

We're excited to be offering this great opportunity for our students, allowing us all to achieve higher and higher standards of education here at Assumption College Thonburi.

Sincerely,

Brother Dr. Verayuth Boonpram

Director
